

Announcement of the Final Decision Regarding the Investigation about Türk Telekomünikasyon AŞ According to Article 49 of the Act no 4054 on the Protection of Competition

According to the Report and the Additional Opinion prepared, evidence collected, written pleas, and the scope of the file examined regarding the investigation conducted according to the Board decision dated 28.02.2019 and numbered 19-10/112-M concerning the claims that Türk Telekomünikasyon AŞ is dominant in the market for wholesale fixed broadband internet access services and violated article 6 of the Act no 4054 by preventing, without reasonable and justifiable reasons, its competitors in the market for retail fixed broadband services from providing services and obtaining subscribers, it was decided

1. UNANIMOUSLY that Türk Telekomünikasyon AŞ (Türk Telekom), which was under investigation, is dominant in the market for wholesale fixed broadband internet access services,
2. WITH MAJORITY OF VOTES that Türk Telekom did not abuse its dominant position under the scope of Article 6 of the Act No 4054 and therefore it is not necessary to impose administrative fines to the undertaking according to article 16 of the Act no 4054.

The decision can be appealed before Ankara Administrative Courts within 60 days as of the notification of the reasoned decision.
